Case or Utility Name: UNS Gas  
Position on Docket: Con

It seems un-American to raise rates when so many are out of work and when the country is trying to recover from an economic recession that most call the greatest since the Great Depression. The correct thing to do is to restructure and for upper management to take pay cuts. Our President just called for everyone to work towards overcoming this crisis. You will not be able to say you've done your share if you increase rates at this time.
